

CALIFORNIA COMMERCIAL OFFSITE HAZARDOUS WASTE MANAGEMENT FACILITIES

This listing includes all commercial hazardous waste permitted Recycling, Treatment, Storage and Disposal Facilities (TSDF) that accept offsite waste for a fee and perform treatment and/or disposal at the facility. This listing will be periodically updated as additional information is obtained.

DISCLAIMER

Inclusion of facilities in this document is for information only and constitutes neither an endorsement of these facilities by DTSC nor a certification by DTSC that they are operated in compliance with all applicable laws and regulations. The information in this listing includes names, addresses, telephone numbers, wastestreams and capacities of hazardous waste facilities that may accept hazardous wastes from generators in California. Although an attempt has been made to provide the most accurate information available, the state assumes no obligation for reliance upon this listing should there be any omission or error in any listing or description contained herein.
